MRC Receives Outstanding Housing Organization Award April 6, 2009

The San Bernardino County Medical Society (SBCMS) and the San Bernardino County Sheriff Department (SBCSD) are pleased to share the Outstanding MRC (Medical Reserve Corps) Housing Organization Award, which honors the housing organization that has served as an exemplary host agency to the MRC and has successfully supported, advocated on behalf, and helped integrate the MRC into the local community's public health and preparedness infrastructure.

The award ceremony was held on April 6th in Dallas, Texas at the 2009 Integrated Medical Public Health, Preparedness and Response Training Summit. Representing our MRC were Quartermaster Chad Cossey and Training Officer Brenda Brennan, RN, who accepted the award on behalf of the SBCMS/SBCSD.

The Office of the Civilian Volunteer Medical Reserve Corps (OCVMRC) strives to recognize members of the growing MRC network on a regular basis. It is the MRC volunteers, leaders, housing and partner organizations, and other key stakeholders who have helped build and sustain the MRC program as we know it and they are most worthy of being recognized.

Our MRC received the American Red Cross Humanitarian Award during a special presentation by the American Red Cross Inland Empire Chapter during a recognition breakfast on June 19 at the Hilton San Bernardino. The Red Cross' highest award honored the MRC for our commitment and contribution made during the 2007 wildfires.
